

August 2016

Welcome to another edition of our newsletter. A warm welcome to all our new children and parents/carers and an equally warm greeting to our existing clients.

Children from the Pre - School & Toddler Rooms have been attending some exciting trips during the summer holidays.....

Gulliver's Land Theme Park

We would like to thank all parents and carers who attended our summer 2016 trip. We hope that you all had a lovely, enjoyable time. We would like to apologise for the delay in setting off, and would like to thank you all for being so patient and supportive.

Please Note:

- *Parents/Carers are reminded not to take their children to the buggy area. Please deliver the children to their rooms before taking any scooters or prams to the designated area;*
- *Please do not give your children any money to bring to nursery. Aside from the possibility of it getting lost, it is a health and safety risk, as the children could put it in their mouths;*
- *If you are taking your child on holiday, please give us notice in writing*
- *Please give 4 weeks' notice in writing if you're leaving the nursery, or reducing or increasing your child's days at the nursery.*
- *Lunch is served daily at 11:30am; this is due to the children regularly falling asleep before 12.*
- *We are unable to save food on any occasion for children, due to health and safety issues.*
- *If your child(ren) will be arriving to nursery late, but you would still like them to have, please us before 10am.*

Thank you!

Curriculum Matters

- Just a reminder that the rhyme of the week is available from your child's parents notice board. Feel free to take a copy or ask a staff member for one.
- Parents who have been given reports, please can add your comments and return them ASAP.

...and finally....
