

# June Newsletter 2017

**A warm welcome to all our new parents and carers who have recently started with us at Bloomers Day Nursery, we hope you feel welcome. A warm welcome to some of our newest staff members that have started with us at Bloomers, we have Jade based in Pre-School and Ayishat working in Toddler Room.**

## **Information for Parents/Carers**

- ✚ As the weather is now becoming warmer we ask you to bring in sun cream and sun hats for your children.
- ✚ We have cancelled the summer trip to Southend on Sea July 2017, so nursery will be open as normal on 28<sup>th</sup> July 2017.
- ✚ We are offering the Extended Entitlement of 30 hours free childcare from September 2017, please register your child before September 2017. For any further information please contact Stephanie Smith or Hayley Avis.
- ✚ Parents will be sent via email an activation for Tapestry an online journal monitoring your Childs learning and development, so please remember to send back your agreed guidelines for accessing and using Tapestry online journal.
- ✚ We will be booking the Pantomime very soon, parents/Carers will be informed about the cost of the trip to Hackney Empire, 291 Mare Street, London, E8 1EJ.
- ✚ Our theme this week is 'Fathers Day' children are doing lots of activities to celebrate Fathers day such as cards and pictures for their dads, also fathers can come into nursery and take part in activities with their children if they are free and want to.
- ✚ If you want to celebrate your child's birthday at nursery, it's just one Victoria sponge cake (shop brought) so we can sing happy birthday, no party bags are allowed.

### **Bloomers Day Nursery Closing dates for Christmas 2017.**

Bloomers Day Nursery will close for Christmas on Friday 22<sup>nd</sup> December 2017 and will re-open on Tuesday 2<sup>nd</sup> January 2018 at 8am.

### **Parents/Carers reminders**

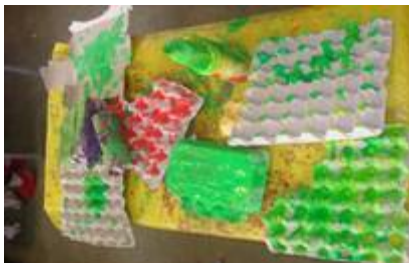

- ✚ Please remember to call if your child is not attending school
- ✚ Please remember to pick up your children on time from their sessions.
- ✚ All pre-School children leaving for school in September 2017 to please inform staff and fill out leaving nursery forms.
- ✚ Parents/Carers please remember to bring your parents guidance forms back to the nursery for our new online journal called Tapestry.

# What we have been learning! 😊

Our blossoming Pre-School children have been learning about people and the jobs they do through understanding of the world. They are currently taking part in role playing 'Doctors' and learning about their important jobs! The Pre-School children are enjoying learning about this through role play and enjoy taking part in some of the daily things doctors and nurses do such as putting on bandages for people. As well as children experience through their role playing, they are also enjoying looking and reading books they collected from the local library.

Pre-School children are also taking part in junk modelling activities where they can express their imagination through making models of their choice, for example some children have said they have made cars, bikes, houses and so on.

At Bloomers we are teaching and following a healthy eating programme where children are learning about staying healthy and learning what foods are good for them and what isn't. Pre-School children have taken part in activities where they have made their own picture lunch boxes of what food they think is good for them, they also have a healthy eating display in their room showing them every day good foods and everyday bad foods.

Toddler room have been learning a new story of the month- The Very Hungry Caterpillar, they have been learning about how things grow and change such as it starts from an egg, forms into a caterpillar and then into a bright colourful butterfly. Toddlers have been doing activities based on this story such as making their own caterpillar story books, making caterpillar pictures and also looking for butterflies outside in the garden area. Toddler room have also implemented a nursery rhyme that supports learning about caterpillars.

Toddler room have been learning about numbers in the environment of their room, looking for shapes and sizes through their play, they have been taking part in completing number and shape puzzles, counting through tidy up time and also singing number songs. Toddler room have now implemented numbers and counting in other activities as well as maths to support learning and development, they now have playdough mats out when playing with playdough to encourage them to learn numbers through fun activities.

We have also been learning about celebrations throughout the year and teaching children about different festivals and the importance of them. Children have all taken part in making Fathers day Cards for their dads and also created displays.

# Rhyme Of The Week!

## Five Currant Buns

Five currant buns in a baker's shop.  
Round and fat with a cherry on the top.  
Along came a boy with a penny one day,  
Bought a currant bun and took it away.

Four currant buns in a baker's shop.  
Round and fat with a cherry on the top.  
Along came a boy with a penny one day,  
Bought a currant bun and took it away.

Three currant buns in a baker's shop.  
Round and fat with a cherry on the top.  
Along came a boy with a penny one day,  
Bought a currant bun and took it away.

Two currant buns in a baker's shop.  
Round and fat with a cherry on the top.  
Along came a boy with a penny one day,  
Bought a currant bun and took it away.

One currant bun in a baker's shop.  
Round and fat with a cherry on the top.  
Along came a boy with a penny one day,  
Bought a currant bun and took it away.
