A new Term, A new time to learn.

Baby Room: Baby room are learning about textures and materials and sensory. They are taking part in a wide variety of painting activities which involve touching and feeling the paints. The babies are enjoying touching and leaving prints of paint on their paper. Our mini toddlers are seeing a difference in the colours through mixing two colours together to make one colour.

Toddler room: WELCOME TO ALL OUR NEW BLOOMING TODDLERS THAT HAVE STARTED WITH US, WE HOPE YOUR ENJOYING YOUR TIME HERE. Toddler room children are learning about themselves through "All about me" The children painted a portrait of themselves to put up the display, children were learning about facial parts they have. Toddler children enjoyed this activity they like painting on their facial features. Toddlers are learning self-independence, learning about health and hygiene and learning about washing real life fruit and veg and prepare their own snack time.

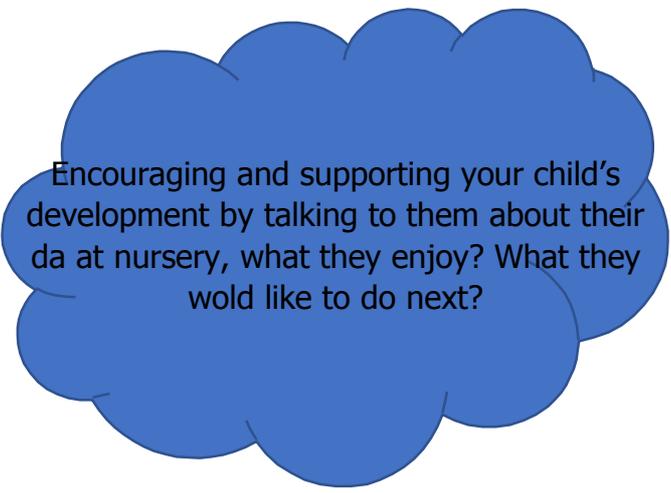

We welcome back all our children ready for the new term ahead.

Working in partnership with Parents/Carers

Parents/Carers encourage your child to put on their own coats, encourage them to tidy up after themselves, helping with washing up and setting up the tables for dinner, this supports their independence skills.

Parents/Carers please continue to give us feedback about what your child does at home, this can be verbal communication between yourself and the key person or even uploading your own photos and observations to Tapestry.

Encouraging and supporting your child's development by talking to them about their da at nursery, what they enjoy? What they wold like to do next?

Parents/Carers please sing the rhyme of the week below with your child at home.

Rhyme of the week:

I like to go to nursery
I like to go to nursery
Heigh-ho-the-derry-oh,
I like to go to nursery

I like to sing new songs
I like to sing new songs
Heigh-ho-the-derry-oh,
I like to sing new songs
